LAS VEGAS, March 6, 2017 /PRNewswire/ -- Scientific Games Corporation (NASDAQ: SGMS) ("Scientific Games" or the "Company") today announced the launch of the newest product in its *TwinStar* family of leading-edge slot cabinets – the *TwinStar 3RM*.

New Mechanical Reel TwinStar Cabinet with 88 Fortunes game

The *TwinStar 3RM* is an innovative new cabinet platform that incorporates classic mechanical three-reel game play with the excitement of top monitor graphics for an all-encompassing player experience. Enhanced 3D graphics, eye-catching lighting features, and a multi-channel sound package ensure that the *TwinStar 3RM* cabinet stands out on any casino floor.

Scientific Games Group Chief Executive of Gaming, Derik Mooberry, said, "Our *TwinStar* slot cabinet family is at the forefront of innovation and we are thrilled to add a stepper option to augment our offerings. Integrating the dynamic features of a video slot game onto a mechanical reel base game, as well as offering the increased power, enhanced features, and content from legendary gaming brands *Bally*® and *WMS*®, the *TwinStar 3RM* really gives players the best of both worlds."

Based on the robust platform of the popular *TwinStar* family of interactive cabinets, the *TwinStar 3RM* supports content streams from both *Bally* and *WMS* gaming brands, making it one of the most diverse stepper cabinets in the industry. The *TwinStar 3RM* also delivers increased processing and graphics power, a high brightness 24" 1080p monitor that is significantly brighter than standard monitors, a larger *iDeck* for heightened player interaction,

a USB charging port for mobile devices, a Super Candle for custom lighting sequences that are distinct on any busy casino floor, and an optional handle mechanism for additional player interaction.

The *TwinStar 3RM* cabinet is initially launching with two of Scientific Games' most popular game titles: *Fu Dao Le*® and *88 Fortunes*®. *Fu Dao Le* is the highly popular game that features 27 lines of play, an eight Free Game feature, a four-Level Progressive Jackpot Pick Bonus, and a Red Envelope Progressive Bonus which randomly awards a jackpot starting at 10,000 credits. *88 Fortunes*, features 27 lines of play, a Free Games feature, and the *Fu Bat* four-Level Progressive Jackpot Pick Bonus, with the Grand Jackpot paying over 1,000,000 credits.

The *TwinStar 3RM* cabinet is currently approved for placement in multiple jurisdictions throughout North America and internationally.

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements describe future expectations, plans, results or strategies and can often be identified by the use of terminology such as "may," "will," "estimate," "intend," "plan," "continue," "believe," "expect," "anticipate," "target," "should," "could," "potential," "opportunity," "goal," or similar terminology. These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including, among other things: competition; U.S. and international economic and industry conditions, including declines in or slow growth of gross gaming revenues or lottery retail sales, reductions in or constraints on capital spending by gaming or lottery operators and bankruptcies of, or credit risk relating to, customers; limited growth from new gaming jurisdictions, declines in the replacement cycle of existing gaming machines and slow addition of casinos in existing jurisdictions; ownership changes and consolidation in the gaming industry, including by casino operators; opposition to legalized gaming or the expansion thereof; inability to adapt to, and offer products that keep pace with, evolving technology; inability to develop successful gaming concepts and content; laws and government regulations, including those relating to gaming licenses and environmental laws; inability to identify and capitalize on trends and changes in the gaming, lottery and interactive industries; dependence upon key providers in our social gaming business; inability to retain or renew, or unfavorable revisions of, existing contracts, and the inability to enter into new contracts; level of our indebtedness, higher interest rates, availability or adequacy of cash flows and liquidity to satisfy indebtedness, other obligations or future cash needs; inability to reduce or refinance our indebtedness; restrictions and covenants in our debt agreements, including those that could result in acceleration of the maturity of our indebtedness; protection of our intellectual property, inability to license third party intellectual property, and the intellectual property rights of others; security and integrity of our software and systems and reliance on or failures in our information technology systems; natural events that disrupt our operations or those of our customers, suppliers or regulators; inability to benefit from, and risks associated with, strategic equity investments and relationships, including (i) the inability of our joint venture to realize the anticipated benefits under its private management agreement with the Illinois lottery or from the disentanglement services performed in connection with the termination thereof, (ii) the inability of our joint venture to meet the net income targets or

other requirements under its agreement to provide marketing and sales services to the New Jersey Lottery or otherwise to realize the anticipated benefits under such agreement and (iii) failure to realize the anticipated benefits related to the award to our consortium of an instant lottery game concession in Greece; failure to achieve the intended benefits of the Bally acquisition or the WMS acquisition, other recent acquisitions, or future acquisitions, including due to the inability to successfully integrate such acquisitions or realize synergies in the anticipated amounts or within the contemplated time frames or cost expectations, or at all; disruption of our current plans and operations in connection with our recent acquisitions (including in connection with the integration of Bally and WMS), including departure of key personnel or inability to recruit additional qualified personnel or maintain relationships with customers, suppliers or other third parties; incurrence of employee termination or restructuring costs, and impairment or asset write-down charges; changes in estimates or judgments related to our impairment analysis of goodwill or other intangible assets; implementation of complex revenue recognition standards; fluctuations in our results due to seasonality and other factors; dependence on suppliers and manufacturers; risks relating to foreign operations, including fluctuations in foreign currency exchange rates (including those fluctuations related to the affirmative vote in the U.K. to withdraw from the EU), restrictions on the payment of dividends from earnings, restrictions on the import of products and financial instability, including the potential impact to our business resulting from the affirmative vote in the U.K. to withdraw from the EU and the potential impact to our instant lottery game concession or VLT lease arrangements resulting from the recent economic and political conditions in Greece; dependence on our key employees; litigation and other liabilities relating to our business, including litigation and liabilities relating to our contracts and licenses, our products and systems, our employees (including labor disputes), intellectual property and our strategic relationships; influence of certain stockholders; and stock price volatility.

Additional information regarding risks, uncertainties and other factors that could cause actual results to differ materially from those contemplated in forward-looking statements is included from time to time in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on February 29, 2016 (including under the headings "Forward Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
