LAS VEGAS, Jan. 25, 2019 /PRNewswire/ -- Scientific Games Corporation (NASDAQ: SGMS) ("Scientific Games" or the "Company") is proud to announce that its SG Digital group successfully delivered its innovative casino and bingo platforms to Svenska Spel Sport & Casino for the launch of the newly-regulated Swedish online gaming market. Further solidifying its leading position in Sweden, SG Digital launched content with more than 50 brand partners across the region.

Following a rapid integration, the leading Swedish operator went live with SG Digital's Open Platform System (OPS) and Open Gaming System (OGS), as well as its Bingo solution, on the day the new market opened on January 1, 2019, highlighting the supplier's speed-to-market.

Svenska Spel Sport & Casino now has access to a large portfolio of casino titles from SG Digital's in-house games studios, as well as the industry's leading third-party developers, providing players in Sweden with a vast, compelling gaming experience.

SG Digital is delivering an agile and responsible service to its latest partner to meet the requirements of the new regulatory framework set out by the Swedish Gambling Authority (Spelinspektionen).

Dylan Slaney, SVP Gaming at SG Digital, said: "We're thrilled to be working alongside Svenska Spel Sport & Casino, and together we will take them to the next level in this exciting regulated marketplace. Following a quick and simple integration, Svenska Spel Sport & Casino were ready to go live with one of the most comprehensive casino and bingo offerings available in line with the new regulatory framework being introduced."

Fredrik Wastenson, Managing Director at Svenska Spel Sport & Casino, said: "The SG Digital team has been instrumental in helping us launch our new casino and bingo sites on the day the re-regulated Swedish gaming market launched. Scientific Games' flexible and cooperative approach has been most welcome as we prepared to go live with our enhanced online offering. We look forward to working together, as we continue to build our operations and provide our players with an entertaining and safe gaming experience."

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on March 1, 2018 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
