

Löwen Play GmbH's New Casino Games to be Powered in Germany by Scientific Games

German operator expands games offering following nation's new regulated framework

LAS VEGAS – November 19, 2020 – [Scientific Games Corporation](#) (NASDAQ: SGMS) (“Scientific Games” or the “Company”) launched its *OpenGaming*[™] ecosystem with one of Germany’s leading operators, Löwen Play GmbH.

With more than 50 years of experience in the industry through its amusement arcades, Löwen Play is an established operator within Germany. *OpenGaming* will significantly strengthen the German operator’s online casino games offering.

The leading content aggregation platform features an extensive library of games available from the world’s leading studios, supplemented by cutting-edge player features such as free-rounds and missions with regulatory compliance at the heart of its offering. Löwen Play will now have access to top performing games including the latest Scientific Games release, *Spartacus*[®] *Megaways*[™], as well as iconic titles *88 Fortunes*[®] and *Jin Ji Bao Xi*[®], with more slots to be added in the following months.

This latest deal highlights the strength of the *OpenGaming* ecosystem within regulated markets across the globe. Through its scale, reliability and feature-rich player engagement tools, the platform delivers unmissable gaming experiences for players worldwide.

Paul Kase, Head of Online Gaming at Löwen Play GmbH, said, “Scientific Games and its *OpenGaming* ecosystem are an integral part of our plans to expand the number and variety of casino games we offer to players. With a comprehensive games library supported by various features, we’re now in a strong position to further improve our foothold within the German market.”

Dylan Slaney, SVP Gaming, at Scientific Games Digital, said, “We’re excited to have launched *OpenGaming* with Löwen Play and strengthen our presence within Germany. Our diligence and commitment in ensuring that our offering conforms with appropriate regulations sets us ahead of our competitors. The jurisdiction is an important area of focus for us, and we’re well-positioned to capitalize on the market’s potential given our expertise and superior product offering. Löwen Play customers are sure to love the new games that are now available via *OpenGaming*.”

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks, uncertainties and other factors, including those factors described in our filings with the Securities and Exchange Commission (the "SEC"), including Scientific Games' current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on February 18, 2020 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
